Policy on wearing masks on campus after April 1, 2024

Regarding the subject matter, the policy on wearing masks on the Shikata Campus, where the University Hospital is located, will be as follows, considering the risks of infection.

[Shikata Campus]

- In any building on the campus, wear a non-woven mask when speaking loudly where it is not possible to maintain an interpersonal distance of more than one (1) meter; however, always wear a non-woven mask in the hospital areas (in facilities where patients are).
- Wearing masks outside the building is left at the discretion of each individual.

[(For reference)Tsushima Campus]

- Wearing masks inside the building is advised; however, the individual's preference is respected and removal of the mask would not be prevented.
- Wearing masks outside the building is left at the discretion of each individual.
